

ORIOLE

ALMA MATER

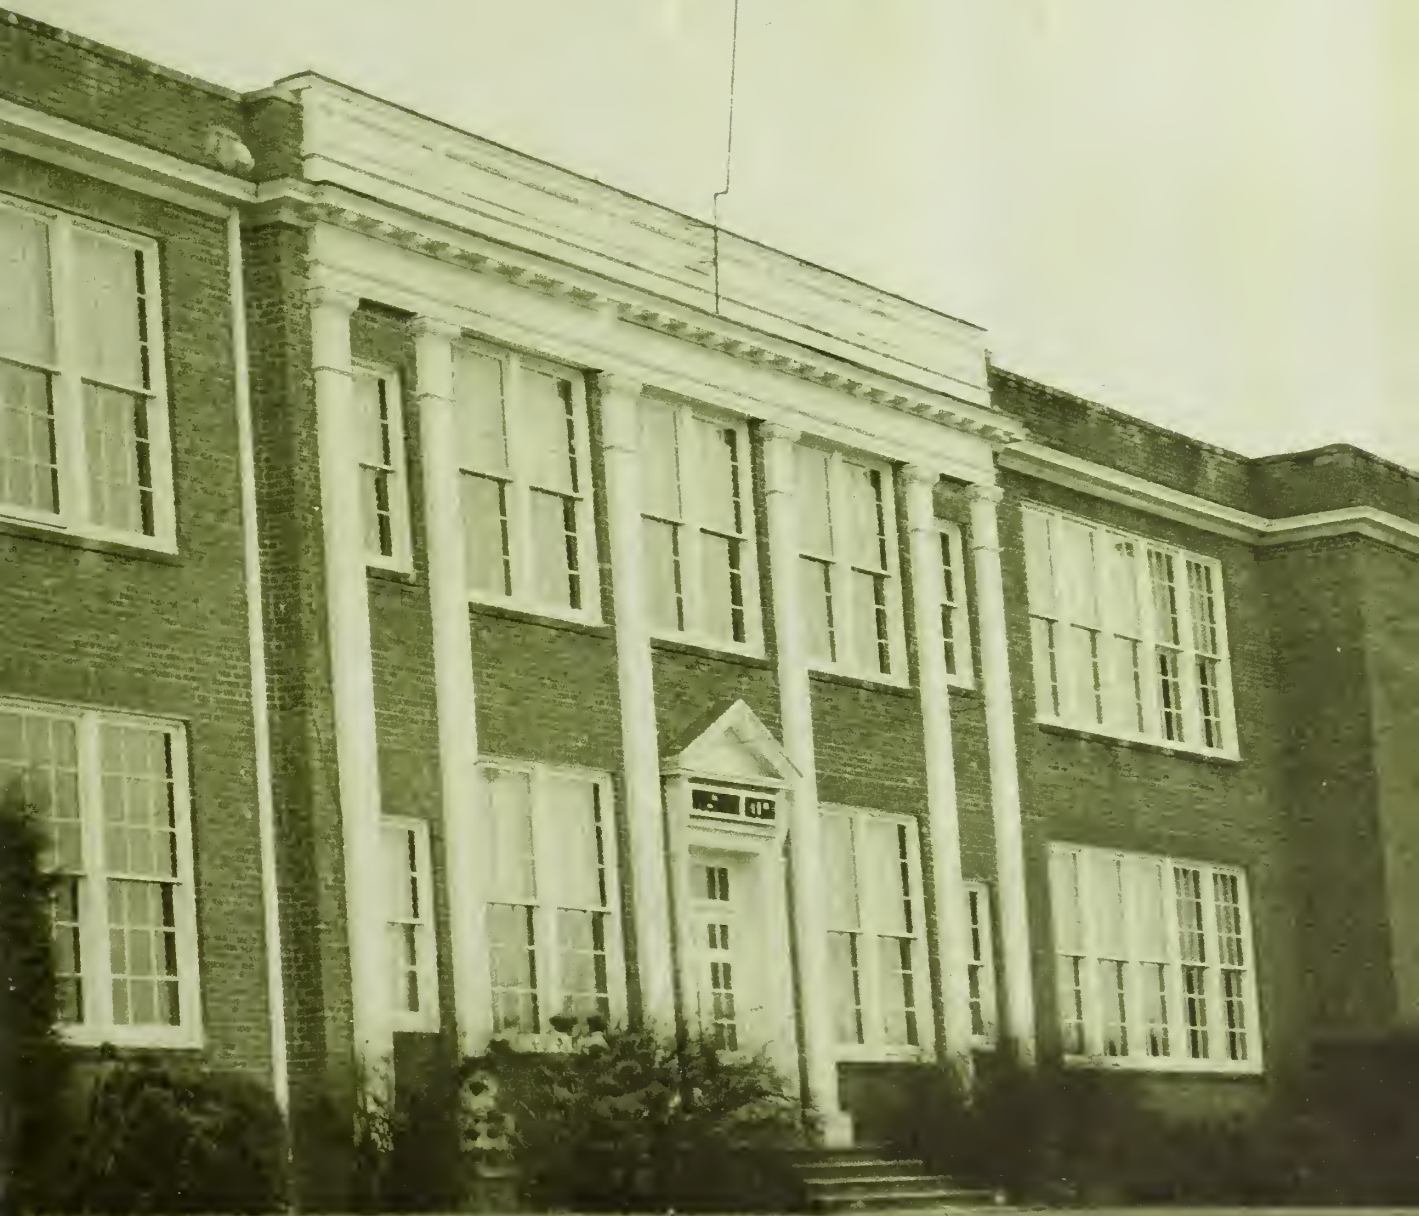

*Far up in the Blue Ridge Mountains, With its skies so blue,
Stands our dear old Alma Mater, Proudly to the view.*

*High School days are swiftly gliding, Soon we'll leave these halls,
Friend from friend will then be parting, Answering duty's calls.*

*Tho' we all may wander far, To her we'll be true,
We will ever live to love her, Faithful friends we'll prove.*

*Rosmar, Rosman, our dear high school, Orange and the Black,
May we always honor thee, Alma Mater dear.*

1966 ORIOLE

Foreword

Fond remembrances of these days, the most influential of our lives, will dim with the passing years. As a reminder of these days, we, the 1966 Oriole staff, invite you to open the doors to memories of the year; to share with us the pleasure of looking back and remembering our joys, hardships and labors.

Coach has an anxious moment.

Dedication

With the dedication of ourselves to the principles which one has worked so faithfully to instill in us, we now dedicate this to the one who has given many years of hard work and unlimited service to the support of our school. We must pay him the tribute which he so richly deserves. His high ideals, character, and captivating spirit are implanted in the lives of the ones he has worked with. To one who is loved and respected by the whole student body and is a coach that anyone would play his heart out for -

The annual staff of 1966, under the direction of Mr. J. Dean Henson, proudly dedicate this Oriole to Mr. William (Bill) Cathey, Jr.

William J. Cathey, Jr.

I've reduced electric rates 16 times!

It's hard to imagine anything costing less today, but electricity does. In January, 1965, Duke Power made its 16th rate reduction since 1913 — the fifth in less than six years. Now the average cost of a kilowatt hour of electricity to Duke Power's residential customers is actually one-third less than 20 years ago. These rate reductions have helped Piedmont

Carolinians improve their standard of living through their ever increasing use of low-cost electricity for appliances and heating.

ALMA MATER

*Far up in the Blue Ridge Mountains, With its skies so blue,
Stands our dear old Alma Mater, Proudly to the view.*

*High School days are swiftly gliding, Soon we'll leave these halls,
Friend from friend will then be parting, Answering duty's calls.*

*Tho' we all may wander far, To her we'll be true,
We will ever live to love her, Faithful friends we'll prove.*

*Rosman, Rosman, our dear high school, Orange and the Black,
May we always honor thee, Alma Mater dear.*
